### Action plan objectives

The Principal is responsible for:

1. Preparing a full and comprehensive planning response for each of the improvement strategies outlined in the review report.
2. Ensuring the planning processes reflect the views, ideas, skills, knowledge and understanding of key stakeholders and take into account the school's vision and strategic and operational priorities.
3. Ensuring a seamless and sequenced implementation of the school’s response to the improvement strategies.
4. Ensuring the action plan is delivered on time and is fully costed in terms of financial and human resource implications.
5. Ensuring the action plan is clearly linked to the wider school planning and accountability processes.
