ALEXANDRA HILLS STATE SCHOOL ATHLETICS CARNIVAL

Well done to everyone who participated in the Alexandra Hills State School Athletics Carnival! On Friday, the sprints and the full P-3 program was completed. It was fantastic to see so many parents there supporting the children as they strived for their personal best. As a result of the inclement weather, the field events, the 800m and senior relays were held on Monday under brilliant weather conditions. The students all displayed fantastic sportspersonship and put in some outstanding efforts. Congratulations to Peel who won overall in a tight contest.

REPORT CARDS

Report Cards were issued yesterday. All parents have the opportunity to make an appointment for a parent/teacher interview if they would like aspects of the report card clarified. We are very proud of the effort the students and teachers have put into this Semester. Their dedication and determination have ensured that we have made the most of the opportunities provided.

GINGERBREAD MAN

Well done to the Boys Performance Group for their entertaining presentation of the Gingerbread Man for the P-3 students. Obviously a lot of time and effort had gone into the rehearsals. It was a great show. Thank you to Mrs Moman for cooking the Gingerbread Men for all the P-3 students. They were eagerly eaten, just like the fox ate the Gingerbread Man in the play!

TUCKSHOP UPDATE

Last night, members of the school community voted unanimously to hand the operation of the school Tuckshop over to the school. It was also agreed that the Tuckshop would operate two days a week, opening on Thursdays and Fridays. We would like to take this opportunity to thank Rhonda, Tanya and their band of volunteers who have worked so hard over a long period of time. It is greatly appreciated. For the P&C, it is an opportunity for them to focus their time and energy on fundraising initiatives which will greatly benefit the entire school community.

As a school, we are interested in offering the Tuckshop as a service to our school community as opposed to a fundraising venture. The school is looking to offer a healthier and cheaper service. The start of Term 3 will signal the start of the changed Tuckshop hours, with the service starting on Thursday July 17.

In accordance with EQ policy, the position of Tuckshop Convener will be advertised over the holiday period. It is an exciting time for the school, and a great opportunity to provide a healthy, affordable option for members of our school community.

Have a great holiday everyone. Enjoy a well-deserved break.

The Leadership Team
Jabiru Kids has planned a great program of activities for the June/July holidays. Our program includes sensational science experiments; design and construction projects; games and outdoor fun. We will visit the Arts Theatre to see Charlotte’s Web and meet the characters. Special visitors from 2 Bent Rods will teach us to pump yabbies, cast nets and catch fish.

We welcome children from Alexandra Hills State School to join Jabiru for vacation care at Hilliard or Coolwynpin State Schools or one of our other sites. The full program is available from Jabiru Alexandra Hills or online at [http://www.jabiru.org.au/kids](http://www.jabiru.org.au/kids)
