Graduation Dinner

Parents and Caregivers are reminded that the RSVP for the Senior Graduation Dinner is Wednesday November 26. Those planning on attending this fantastic evening of celebration need to let the Office know the number of guests who will be attending along with payment. If there are any concerns regarding this timeline please do not hesitate to contact me personally.

Alexandra Hills State High School

A reminder that any Year 6/7 student planning on attending Alexandra Hills State High School next year that has not completed their enrolment forms, need to do so as soon as possible. The Administration is currently finalising classes for 2015. Enrolment Packs are available at the Office.

School Leaders

Yesterday, students in Year 5 were advised if they had been shortlisted for a leadership position next year. As a school community, we are delighted by the quality of the students standing for election; personally, I am excited about what they will offer the school in 2015.

The Student Leader Elections will take place on Tuesday next week, following the school assembly. Those running for school Captain will be presenting their speeches to the student body, and those running for a leadership role will have the opportunity to introduce themselves to the student body prior to the election. Parents and supporters are more than welcome to stay to listen to the election speeches.

The successful candidates will be announced at the Awards Ceremony on December 11.

P&C Disco

On Friday next week, there will be a P&C Disco held as a fundraiser for Anthony Holland as he continues to battle Leukemia. I am so proud of the school community’s response to help one of our own who is struggling at the moment. I urge you to support this fantastic initiative of the P&C as we dig deep to help Anthony and his family.

For the safety of our students, ONLY STUDENTS WHO ARE CURRENTLY ENROLLED AT AHSS are permitted to attend. No siblings are allowed.

Booklist

The 2015 Alexandra Hills State School Booklist has been sent home along with this newsletter. This year we are staying local, using the resources of the Alexandra Hills Newsagency (News Extra) to provide an option for parents organising their requirements for next year. There are a variety of payment options including layby. Just talk to Lani who would be happy to work with you.

Have a great week everyone!
