FROM THE FRONT DESK

You already possess everything you need to become great

REPORT CARDS
Report Cards were due to be sent out on Wednesday. Unfortunately, there has been a statewide glitch, which is preventing schools from printing them out. We are working with OneSchool to address this issue and will send home report cards as soon as is possible. As of this morning, the issue still existed and it is highly likely that report cards will be sent home in the first week of Term 3.

GOLD TICKET
Congratulations to all our Gold Ticket recipients who went to watch the new Minion movie on Wednesday. This time 67 students were selected for displaying exemplary behaviour over Term 2. All were great ambassadors for the school with many positive comments offered from the general community regarding the students’ uniforms, manners and excellent behaviour.

TERM THREE OVERVIEW
You may have noticed a few changes going on in the school this week as we prepare for Term 3. We were given official confirmation that we will be allocated an additional teacher for next term. This is fantastic news! It allows Alexandra Hills State School to create smaller classes that are more responsive to the social dynamics of each classroom.

Today we will farewell Miss Randall. Miss Randall has been at Alexandra Hills State School since last year and has done a tremendous job in her time with the Prep/Year 1 students. Miss Randall will be taking on a new challenge next term working in a larger school setting.

Term 3 will see Alexandra Hills State School welcome two new teachers who will be in the lower primary precinct. Miss Hayley Harding will be teaching the new P-1 Pink class. Hayley is an enthusiastic and passionate educator who comes to the school highly recommended. We also welcome Miss Rebekah Mihill who will be teaching the new 1-2 Lime class. Rebekah is a dedicated and highly motivating educator who has been identified as an outstanding classroom teacher. Both Miss Harding and Miss Mihill will be great assets for Alexandra Hills State School and will make a positive difference to the students in their classes.

Today, students will receive notification of their class, their teacher and their room for Term 3. While it is not ideal to be having major changes mid-way through the year, the benefits far outweigh the concerns and will allow the school to provide targeted and highly supportive programs. Our provision of large learning spaces, small class sizes, innovative programs and excellent teachers will establish a highly productive and engaging second half of 2015. Exciting times!

We hope everyone takes the opportunity to stop and recharge these holidays, it is hard to believe that we are already halfway through the scholastic year! We all look forward to catching up with everyone after the holidays as we usher in a very exciting Term 3.

Happy holidays!
