DAY FOR DANIEL
It was fantastic to see the vast majority of our school community wearing red to help commemorate Day for Daniel, with more than one million people across Australia to promote a safer society for all children. The emphasis of the day was to empower students to Recognise, React and Report when they feel something is not right. To conclude the day, students walked around the perimeter of the school with the aim of raising their awareness of being safe.

AHSS SUPPORTING A BURMESE ORPHANAGE
This week saw the school partner up with Myanmar Orphanage, donating excess furniture and school supplies to assist in setting up an Early Age Learning Centre and Library. The Myanmar Orphanage currently provides relief for more than 180 orphaned and abandoned children. At a time when Alexandra Hills State School is purchasing new furniture for our classrooms, it is great that what we no longer need can be used for such a great cause.

P&C MORNING TEA
Thank you to the parents who attended the P&C Morning Tea to see first-hand the fantastic initiatives being offered at Alexandra Hills State School. It is important that members of our school community are aware of just how great our school is. Over the remainder of the year we will be providing opportunities for the community to come in and see first-hand what makes Alexandra Hills State School such a dynamic learning environment. I would encourage you to come in and see just how fantastic Alexandra Hills State School is.

WORLD TEACHERS’ DAY
Today was World Teachers’ Day where society stops to acknowledge the great job our school teachers do and the positive impact they make on a student’s life. At Alexandra Hills State School, we are lucky to have such a dedicated and enthusiastic teaching group. World Teachers’ Day offers a chance to acknowledge our teachers and say thanks.

Every day, Queensland teachers are making a difference educating and inspiring young Queenslanders.

World Teachers’ Day is celebrated in more than 100 countries worldwide and was established by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) in 1994 to celebrate the role of teachers in society. While today is World Teachers’ Day, any day is a good day to tell your child’s teacher you value what they do.

The day is a wonderful opportunity to draw public attention to the important role of teachers in our local communities.

Have a great weekend everyone!

Wayne
Last Friday, the Prep and 1R movie night was a huge success! The children and adults came in their PJ’s with blankets and teddies to watch “Frozen”. They enjoyed eating pizza and popcorn and were excited to be at school when it was dark. Thank you to the teachers and parents who made the movie night so successful! I am sure the adults enjoyed themselves just as much as the children. Everyone enjoyed our movie night.
